PARTNERING WITH PACT REUSE-RETAIL SOLUTIONS

Since 1989, Pact Reuse Retail Solutions has been working with global garment and fashion retailers to finesse our pioneering reuse model.

Our model enables you to step up to the climate challenge while creating efficiencies across your value chains. We improve your bottom-line while putting you at the frontline of credible climate action.

Over the past 30 years, we've grown our footprint consistently on the basis of superior service and a global reuse platform that allows our partners to achieve hanger reuse rates of over 80% in many cases.

Today, Pact Reuse Retail Solutions reuses over 1 billion hangers, accessories and size clips per year, servicing a network of more than 2,500 garment manufacturers and over 8,000 retail stores across the globe.

We thank you for entrusting Pact Reuse Retail Solutions to deliver sustainable solutions for your business.
